

Dear **Denny Tri Sukmono**,

We finally come to the end of the selection process. We're so grateful to see thousands of future tech talents are being enthusiastic about this program. We're also impressed with your profile and we believe that with your capacity, you can maximize your journey as a tech talent through this program. After reviewing your Online Test result and your Motivation Letter, **we are proud to announce that you have been selected to be one of 445 final participants amongst 5257 registrants in Public Recruitment of Generasi GIGIH 3.0.**

#SiGIGIH **Denny Tri Sukmono** from **Full Stack Engineering** Track, welcome to Generasi GIGIH 3.0! We are so excited to celebrate and welcome you on board to the Generasi GIGIH Family.

To complete your journey, please follow these several **mandatory** activities including:

1. Completing the **General Information** form as a tool to know you better and signing the **Commitment Letter** as part of your basic responsibility to obey the rule during the program **before 27 June 2023 at 11.59 PM**. Please fill on this form: <https://bit.ly/commitment-letter-general-info-GG3Participant>.

(sharing any informations to externals are strictly prohibited)

IMPORTANT! If you haven't filled out the form before the deadline, then you'll be disqualified from the program and your position will be filled by waiting list participants. If you have any trouble, please contact Bale (iqbal.affandi@gojek.com)

2. Register and join to the **Onboarding Session** which will be held on:

Date : Tuesday, June 27th 2023

Time : 10.00-12.00 WIB
